## **Major Duties:**

The mission of the Floral and Nursery Plants Research Unit (FNPRU) is to conduct a broad-based program contributing to basic research and to the collection, propagation, maintenance, distribution, evaluation and preservation of representative levels of inherent genetic diversity of woody landscape plants as part of the National Plant Germplasm System.

You will provide technical support in one or more research phases to a scientist engaged in identification and characterization of woody landscape plants using molecular markers. Technical duties will include using specialized equipment to perform routine laboratory work, such as DNA extraction and analysis; analytical assays; and basic molecular biology techniques such as Random Amplified Polymorphic DNA (RAPD), Inter-Simple Sequence Repeat (ISSR), Simple Sequence Repeat (SSR), Polymerase Chain Reaction (PCR), cloning and sequencing. You will also use a computer and various applications to obtain, tabulate, analyze, and summarize data.

**Qualifications Required:** Your education and experience will be evaluated against all qualification requirements (basic and any additional requirements) listed below.

### **Basic Requirements**

You may meet the basic qualifications for this position on the basis of specialized experience or education, as follows. Appropriate combinations of experience and education are also qualifying for the position. Specialized experience is experience that has equipped you with the knowledge, skills, and abilities (KSAs) necessary to perform successfully the duties of the position (see Specialized Experience/KSAs listed below) and which is typically in or related to the work of the position to be filled.

The GS-05 level requires one year of specialized experience equivalent to at least the GS-04 level in the federal service; OR successful completion of a full 4-year course of study leading to a bachelor's degree with major study or at least 24 semester hours in any combination of courses such as biology, chemistry, statistics, entomology, botany, physics, agriculture, or mathematics. At least 6 semester hours of courses must have been directly related to the work of this position, such as courses in botany, plant physiology, biochemistry, genetics, molecular biology, etc.

**If qualifying all or in part based on your education, please submit a copy of your college transcripts OR a list of college courses with credit hours, dates completed, and grades received. If this information is not provided, your education may not be appropriately evaluated and you may lose consideration for this position. If your qualifications are based in any part on education and you are selected for this position, you will have to provide an official copy of your academic transcripts prior to entering on duty.**

**Specialized Experience** - experience which has equipped you with the following Knowledge, Skills and Abilities - 'KSAs' required to perform the duties of this position:

1. Knowledge of the basic principles of botany or other plant sciences and related sciences, such as biochemistry and molecular biology.
2. Knowledge of laboratory practices and techniques, such as DNA extraction and analysis, PCR, RAPD, SSR, ISSR, cloning and sequencing, and similar practices and techniques.

3. Skill in the operation, calibration, and routine maintenance of laboratory equipment specific to molecular biology, such as electrophoresis, microsatellites, sequencers, etc.
4. Ability to use a computer and associated applications, such as word processing, spreadsheets and SAS, to obtain, tabulate, analyze, and summarize data.
5. Skill in keeping exact and detailed records of fertilizer and pesticide applications, as well as plant inventory and accession data.

## **Other Important Information**

### **Benefits Package:**

A Benefits Package is authorized for this position. Additional information about Federal benefits can be obtained at [www.usajobs.opm.gov/ei61.htm](http://www.usajobs.opm.gov/ei61.htm).

### **Veteran's Preference:**

For further details, call the U.S. Office of Personnel Management (OPM) at 478-757-3000 or TDD 478-744-2299. Select General Information on the Federal Employment Policies and Procedures, and then Veterans Preference and Special Appointing Authorities for Veterans. Or visit their VetGuide website at [www.opm.gov/employ/veterans/html/vetguide.asp](http://www.opm.gov/employ/veterans/html/vetguide.asp).

### **Relocation Expenses:**

Payment of relocation expenses will be determined in accordance with P&P 412.5, Recruitment and Retention Incentives and Other Special Pay, Sections 6 and 7, as amended by Bulletin 03-402, which may be found at: [http://www.afm.ars.usda.gov/hrd/staffing\\_recruit/reloweb.htm](http://www.afm.ars.usda.gov/hrd/staffing_recruit/reloweb.htm).

### **Financial Disclosure Requirement:**

Federal employees are subject to prohibitions against officially dealing with outside organizations in which they have a financial interest. You may be required to submit a financial disclosure report if hired for this position.

### **False statements:**

If you make a false statement in any part of your application, you may not be hired; may be fired after beginning work; or may be fined or jailed.

### **Optional Form 306, (Declaration for Federal Employment):**

If you are selected for this position, you will be required to complete this form before an offer may be made.

### **USDA Surplus/Federal Displaced Employees:**

USDA Surplus/Federal displaced employees must submit documentary evidence of eligibility. Well qualified surplus and displaced employees within the local commuting area will receive selection priority as provided by OPM regulations. Well-qualified means the applicant meets the basic qualification and eligibility requirements and all selective placement factors; is rated above minimally qualified against the KSAs or quality criteria; and is able to satisfactorily perform the duties of the position upon entry. Applicants must submit the following:

- 1) a copy of your RIF Separation Notice or Certification of Expected Separation or other documentation indicating that you are a surplus employee;
- 2) evidence of full performance level of current position;

- 3) a copy of your most recent performance appraisal; and
- 4) a copy of your most recent SF-50, Notification of Personnel Action, to verify reassignment eligibility.

**Selective Service System:**

Males over age 18 who were born after December 31, 1959, must have registered with the Selective Service System (or have an exemption) to be eligible for Federal employment.

**Reasonable Accommodation:**

Reasonable accommodation is provided to applicants with disabilities. If you need a reasonable accommodation for any part of the application and hiring process, or have questions regarding reasonable accommodation and/or accessibility for any part of the application and hiring process, please contact the Disability Program Manager on 202-720-6161 or through the DC Relay Service on 202-855-1234 (TDD). The decision to grant reasonable accommodation is made on a case-by-case basis.

**Civil Rights Policy Statement:**

The U.S. Department of Agriculture (USDA) is an equal opportunity employer and provider. Discrimination is prohibited in all USDA programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's Target Center on 202-720-2600 (voice and TDD).

**To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 or call 202-720-5964 (voice and TDD).**
